DR. KING LEGACY APARTMENTS RENTAL APPLICATION DAY

MONDAY, JANUARY 17, 2011 10 AM - 2 PM

On January 26, 1966, Dr. Martin Luther King Jr. moved with his wife Coretta and their four children into a third floor apartment at 1550 South Hamlin Ave. in the North Lawndale community to display the segregation of housing in northern cities. 1550 S. Hamlin Ave. was the only place in the North where Dr. King ever lived!

Lawndale Christian Development Corporation, Westside Federation of Chicago, and Safeway Companies partnered to build the 45 unit "**DR. KING LEGACY APARTMENTS**" in honor of Dr. King's legacy. We proudly announce:
