CHICAGO REHAB NETWORK

Community Development and Empowerment Series 2012

Foreclosures, conversions, property taxes, high housing cost burden, overcrowding, homelessness—all issues which community developers work to overcome. Using a value-based approach to learning development fundamentals, you can be a leader in improving quality of life for renters, homeowners, and other community stakeholders. **Chicago Rehab Network: Valuing Affordability**

Presented by BMO  Harris Bank

Community Building

“Any mission-driven organization in the City or metro counties should take this Series if they care about revitalizing communities.”
Kendra Smith, CMAP

“Thank you for coordinating this series. It was tremendously valuable, and also a lot of fun.”
Lisa Tapper, Affordable Housing Corporation of Lake County
