

ONE CHICAGO 2019-23 HOUSING PLAN

Housing strategies for a thriving city...

2019 THIRD QUARTER
PROGRESS REPORT
JULY-SEPTEMBER

Lori E. Lightfoot
Mayor of Chicago

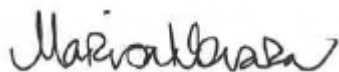

LETTER FROM THE COMMISSIONER

We are pleased to submit the 2019 Third Quarter Progress Report, which presents the Department of Housing's progress on the goals set forth in *One Chicago: Housing Strategies for a Thriving City*, the City's sixth Five-Year Housing Plan covering the years 2019-2023. This is our third report under the new plan, which establishes a \$1.4 billion framework for City housing initiatives over the next five years, coordinating support for approximately 40,000 residential units citywide.

During the third quarter, the City issued the 2019 *Qualified Allocation Plan (QAP)*, which sets forth the rules under which we allocate affordable housing development funding through federal Low Income Housing Tax Credits (LIHTC) and tax-exempt bonds. LIHTC is the most significant resource for creating affordable housing in the United States today, and Chicago's QAP is expected to guide the distribution of more than 60 percent of the City's affordable multi-family housing resources over the next two years.

The 2019 QAP represents an initial step in creating a more transparent, accountable and equitable government. New investment policies, smart city planning and partnerships with communities and developers are tools that together will expand affordable housing production and preserve existing units, building a more equitable Chicago for all residents.

INTRODUCTION

This document is the 2019 Second Quarter Progress Report on the Chicago Department of Housing’s 2019-23 housing plan, *One Chicago: Housing Strategies for a Thriving City*.

For 2019, DOH is projecting commitments of more than \$265 million to create or preserve over 5,700 units of housing. In addition, the City will provide nearly \$18 million in rental subsidies from the Low Income Housing Trust Fund to support 2,700 units serving households at less than 30% of area median income.

Through the third quarter, the Department has committed nearly \$116 million in resources to create or preserve 4,310 units, which represents 75% of the 2019 unit goal and 44% of the resource allocation goal.

CREATION AND PRESERVATION OF AFFORDABLE RENTAL UNITS

In 2019 the Department of Housing has projected commitments of over \$217 million to create or preserve nearly 3,000 units of affordable rental housing. DOH initiatives support new construction along with rehab of abandoned or deteriorated properties.

Through the third quarter, DOH has committed \$91.8 million in resources to create or preserve 2,423 units. These numbers represent 82% of the 2019 multi-family unit goal and 42% of the multi-family resource allocation goal.

Updates to Previously Reported Developments

Sarah's Circle Breaks Ground For Supportive Housing Complex

A planned new supportive housing facility for women at risk of homelessness in Uptown moved one step closer to realization with a September 11 groundbreaking attended by Commissioner Novara and officials from the CHA and Sarah's Circle, the social service provider that is spearheading the project.

When completed, **Sarah's on Sheridan** will contain 38 studio apartments affordable for tenants earning up to 60 percent of area median income. The CHA is providing eighteen Property Rental Assistance vouchers for the project, to be located at 4654 N. Sheridan Road in the 46th Ward. The six-story building, designed by Perkins+Will, also includes a fifty-bed interim shelter providing temporary housing, food, and other basic supportive services for people in need.

The City Council in April approved \$3.5 million in TIF assistance for the development, which is expected to be completed by the end of 2020. The remainder of the funding for the \$17.5 million project is being provided through a private donation.

Pierce House Brings New Supportive Housing to Humboldt Park

On September 27 Commissioner Novara joined Ald. Roberto Maldonado (26th), CHA officials, La Casa Norte and other neighborhood stakeholders for the dedication of **Pierce House**, a mixed-use, 25-unit supportive housing complex now serving the Humboldt Park community.

The \$18.5 million project, located at 3533 W. North Avenue, was developed by La Casa Norte, a comprehensive, neighborhood-based social service provider for youth and families. The City assisted the project with TIF funds, a multi-family loan and funding for wraparound supportive services for residents.

The five-story building, designed by Landon Bone Baker Architects, contains a mix of studio, one-bedroom and two-bedroom rental apartments, all affordable for households at up to 30% of AMI. The one and two-bedroom apartments are supported by CHA project-based vouchers and will be leased to individuals and families from the CHA waiting list and Chicago's Coordinated Entry System. The two lower floors house a Howard Brown Health Center, food pantry, teaching kitchen, teen center, art gallery and administrative offices for La Casa Norte.

PROMOTION AND SUPPORT OF HOMEOWNERSHIP

In 2019 the Department of Housing has projected commitments of almost \$29 million to help nearly 560 households achieve or sustain homeownership. DOH initiatives support the construction of new homes, the acquisition and rehab of deteriorated and abandoned properties, and financing programs for home purchase and rehabilitation.

Through the third quarter, DOH has committed \$12.6 million to support 404 units. These numbers represent 72% of the 2019 homeownership unit goal and 44% of the homeownership resource allocation goal.

This adaptive home design created by Chicago architect Greg Tamborino of Perkins+Will was the winning entry in the recent Disruptive Design competition sponsored by the Chicago Housing Policy Task Force. Tamborino's concept was chosen from 133 designs submitted by architects for an affordable single-family home incorporating a wealth-building component such as an additional rentable unit. Two prototypes of the winning design will be constructed by developer Related Midwest in Bronzeville and West Humboldt Park in 2020.

IMPROVEMENT AND PRESERVATION OF HOMES

In 2019 the Department of Housing has projected commitments of almost \$19 million to assist nearly 2,200 households repair, modify or improve their homes. DOH initiatives support emergency repairs, energy efficiency improvements and financing programs to help existing homeowners keep their homes.

Through the third quarter, DOH has committed \$12.1 million in resources to support 1,483 units. These numbers represent 68% of the 2019 improvement and preservation unit goal and 64% of the improvement and preservation resource allocation goal.

Grant Award Process Underway For 2020 Roof and Porch Program

The **Roof and Porch Repairs** program successfully kicked off the 2020 funding cycle with its annual registration day on September 12. This popular program awards home repair grants to income-eligible Chicago homeowners selected through a lottery process administered by the Department of Housing.

The day-long phone and on-line registration drew a total of 6,895 applicants. This pool was narrowed to 1,200 applications through a public lottery drawing held at the Chicago Cultural Center on October 29. These addresses have been posted on DOH's website at https://www.chicago.gov/content/dam/city/depts/dcd/general/housing/Roof_Porch_Selection_List_2020.pdf. At the end of the qualification process more than 400 households are expected to be approved for grants of up to \$25,000.

The roof and porch program, which has been assisting low- and moderate-income homeowners since 1984, is funded through the City's annual Community Development Block Grant from the U.S. Department of Housing and Urban Development. The program will provide \$5.2 million in grants for repairs to be completed in 2020; work will begin when weather permits in the spring.

Home Improvement Program Will Preserve 606 Trail Affordability

A \$1 million program offering home improvement grants to income-eligible homeowners along the 606 Bloomingdale Trail has been launched by the Department of Housing.

The 606 Bloomingdale Trail Home Improvement Program provides forgivable grants to owner-occupants of one- to four-unit properties along 1.5 miles of the trail, which runs above Bloomingdale Avenue through the Logan Square, Humboldt Park and West Town communities. These areas all have experienced gentrification pressures since the trail opened on a former railroad viaduct in 2015.

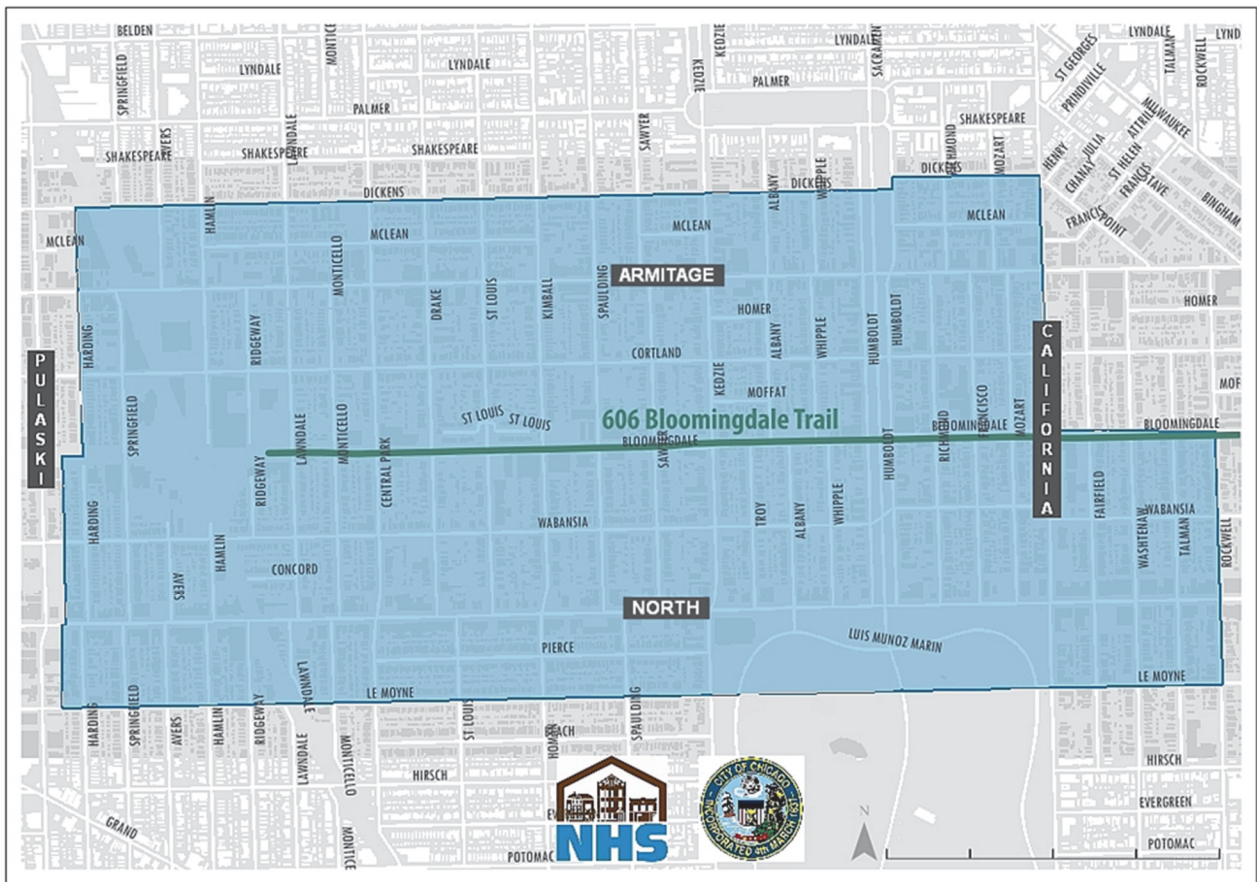

The grants range up to \$25,000 for masonry repairs, porch and roof improvements, tuck-pointing, door and window repairs, and other exterior upgrades. Up to 30 percent of each grant may also be used to repair certain interior health and safety hazards involving plumbing, heating and electrical systems.

The program’s goal is to preserve affordability for property owners who have lived in their homes for at least three years and earn no more than 120 percent of area median income (approximately \$94,800 for a family of four). During the first five years after the grant award, a pro-rated share of the amount will be forgiven for each full year that the owner lives in the house. If he or she moves or sells before the five years are up, the remaining balance will have to be repaid.

Properties must be located in an area bounded generally by Pulaski Road, California Avenue, LeMoynes Street and Dickens Avenue. Neighborhood Housing Services of Chicago is administering the program with funding from the City’s Affordable Housing Opportunity Fund.

POLICY, LEGISLATIVE AFFAIRS AND OTHER ISSUES

2019 QAP Charts Course for Allocating Federal Housing Tax Credits

A new two-year plan recently issued by the Department of Housing will enable the City to target up to \$60 million in affordable housing resources where they are needed most. The 2019 Qualified Allocation Plan (QAP) establishes the ground rules under which the City will award federal 9% Low Income Housing Tax Credits (LIHTC) to create equity for affordable housing projects in Chicago. The QAP sets forth the selection criteria and application requirements for developers seeking these credits or the 4% tax credits that are generated by the City's issuance of tax-exempt housing bonds.

LIHTC today represents the most significant resource for the production of affordable housing in the United States. The City's 9% tax credits are allocated by DOH through a Request for Proposal process to qualifying developers, who then sell them to investors to help finance their projects. Chicago is one of only three municipalities that are authorized to issue these credits, which typically are administered at the state level.

"This new Qualified Application Plan underscores Chicago's commitment to expanding affordable housing options and resources across our city," said Mayor Lightfoot. "By creating a more efficient system, we are ensuring that creating affordable housing is more predictable and more streamlined for both developers and advocates, and ultimately more impactful in addressing the needs of our families and our communities."

Among the key changes in the 2019 QAP are:

- The City's commitment to issue a new QAP every two years; the next release date will be June 2021
- Specified priorities for location, building type or use and affordability levels
- Collaboration with the Continuum of Care, enabling a coordinated application process
- A guaranteed 30-year affordability period
- A new provision that allows the averaging of lower- and higher-income units in projects
- Elimination of the requirement for aldermanic support in early stages of the application process

The 2019 QAP was initially released in draft form on August 6, 2019. Following a thirty-day public comment period, the final plan was issued on September 9 and posted at https://www.chicago.gov/content/dam/city/depts/doh/qap/qap_2019/2019_qap_final.pdf.

Developers' applications for funding under the new QAP were accepted through October 11, 2019.

SUCCESS STORIES

Troubled Buildings Initiative

4710-14 S. Martin Luther King Dr.

- 24-unit rental building
- Entered TBI program: 2013 Q1
- Receiver: Community Investment Initiatives
- Developer: 312 Real Estate
- Rehab loan: \$3 million
- Current status: Rehabbed and fully occupied

This vintage apartment building on a busy corner had been vacant for a year when it entered the TBI program in 2013. The property went under contract several times between 2014 and 2016, but each deal fell through due to high rehab costs. Finally, in 2016 CII and the City found an experienced developer with the capacity to undertake the project, and CII was able to provide the \$3 million in financing needed to carry out the work. The rehab has now been completed, and all 24 units are rented out to households at less than 80% of AMI.

NOTE: Gross rent limits for 50% and 65% AMI, High HOME Rent and Fair Market Rent are as published by HUD. All other rent limits are calculated assuming 1.5 occupants per bedroom and 1 occupant for an apartment with no bedrooms.

* For HOME-funded developments, rents are the lesser of the Fair Market Rent or the High HOME Rent for the unit size. In HOME-funded developments with 5 or more units, 20% of the HOME-assisted units must be occupied by very low income families whose rents do not exceed 30% of the annual income of a family @ 50% of the area median. This is known as the "Low HOME Rent."
