

## Appendix 5 – Public Notification and Citizen Comments

The CRN NSP2 Consortium posted our plan in three ways. On July 1, CRN posted the public notice, our plan, and notice of our public hearing at our website at <http://www.chicagorehab.org/NeighborhoodStabilizationProgram.aspx>. On July 2<sup>nd</sup>, we placed an on-line add in the Chicago Tribune of the same public notice requesting public comments through July 13<sup>th</sup>. On July 3<sup>rd</sup>, the same was posted in the Chicago Tribune public notice section. CRN then distributed an enewsletter to over 2500 housing-related stakeholders sharing the same public notice and plan.

The public notice and plan summary are included here as made available to the public.

Two comments were received from Albert Hanna and from Access Living, Inc.
