Celebration Time! - The Chicago Rehab Network marks 10 years of making a difference through technical assistance and learning forums on Thursday, 6-11 p.m., at Opera Restaurant, 1301 S. Wabash. A short program starts at 7 p.m. We're all invited to join in for an anniversary celebration of what CRN has in common - a commitment to affordable housing and an appreciation for the community developers and leaders who make it happen, says **Richard Muhammad**, a CRN spokesperson.

There'll be fellowshipping, networking and lots of fun along with dancing, food and drinks. RSVP to CRN at (312) 663-3936 or visit www.chicagorehab.org for additional info.
