

# AFFORDABLE HOUSING PLAN 2004–2008

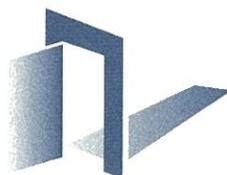

## Quarterly Progress Report July–September 2005

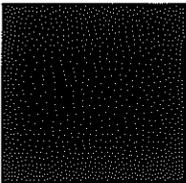

Keeping Chicago's  
neighborhoods affordable.

Chicago Department of Housing  
John G. Markowski, Commissioner

City of Chicago  
Richard M. Daley, Mayor

## LETTER FROM THE COMMISSIONER

I am pleased to submit the third Quarterly Progress Report of 2005, which presents the Department of Housing's progress on the goals set forth in the City's third Affordable Housing Plan, 2004–2008.

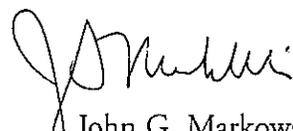

We are proud of our progress so far this year, which shows we are on track to meet our unit goals in all three program areas—the creation and preservation of affordable rental units, the promotion and support of homeownership, and the improvement and preservation of homes.

In the area of creating and preserving affordable rental units, Archer Avenue Senior Residences was approved for funding this quarter. This development will bring 55 units of affordable senior rental housing to the Bridgeport community. We are proud of the Department's track record of providing affordable housing for senior citizens. Since 1989, DOH has funded more than 4,200 affordable rental units for seniors (see page 3 for a map of these developments). In addition, the H-RAIL program assists more than 500 senior citizen households each year. DOH understands the importance of and is committed to providing housing for the senior population, which continues to grow as the overall population ages.

This quarter, the Illinois Department of Healthcare and Family Services announced that ten Chicago sites have been awarded funding through the Supportive Living Program, which provides an alternative to nursing home living for low-income seniors and people with disabilities. The Supportive Living Program currently funds eight supportive living facilities (SLFs) in Chicago, and the addition of these new facilities will mean fewer people have to enter the nursing home system. DOH is currently working with the developers of these facilities to determine how we can best use our limited resources to assist in their development.

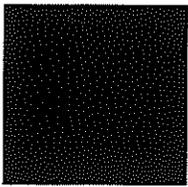

In September, the Department was awarded a grant from the John D. and Catherine T. MacArthur Foundation to continue its work to establish a citywide community land trust (CLT). We are excited about this opportunity to continue our work to develop a way to preserve the affordable homeownership opportunities in Chicago, and we are grateful to the MacArthur Foundation for this generous award.

It has been a year since the Department assumed management of the Plan to End Homelessness, and the Department recently released the inaugural "State of the Plan" report to update the public on the progress the City is making on the Plan. Working in cooperation with other City departments and community organizations, we believe we have made good progress so far on the Plan. Much work remains, though, and we will continue working with all our partners to keep up the pace.

John G. Markowski  
Commissioner

## INTRODUCTION

This document is the Third Quarter 2005 report on the progress of the Chicago Department of Housing's third Affordable Housing Plan, 2004–2008.

DOH is projecting an active and productive year, committing over \$381 million in resources to support 10,107 units of housing.

Through the third quarter of 2005, the Department committed over \$287 million in funds to support over 7,900 units, which represents 78% of the 2005 unit goal and 75% of the 2005 resource allocation goal.

# CREATION AND PRESERVATION OF AFFORDABLE RENTAL UNITS

In 2005, the Department expects to support more than 5,600 units of multi-family affordable rental housing through loans for new construction or rehab, through rental subsidies and through property stabilization programs.

Through the third quarter of 2005, the Department of Housing committed over \$179 million in resources to support over 4,200 units. These numbers represent 78% of the 2005 multi-family unit goal and 86% of the 2005 multi-family resource allocation goal.

## Multi-Family Rehab and New Construction

### Archer Avenue Senior Residences

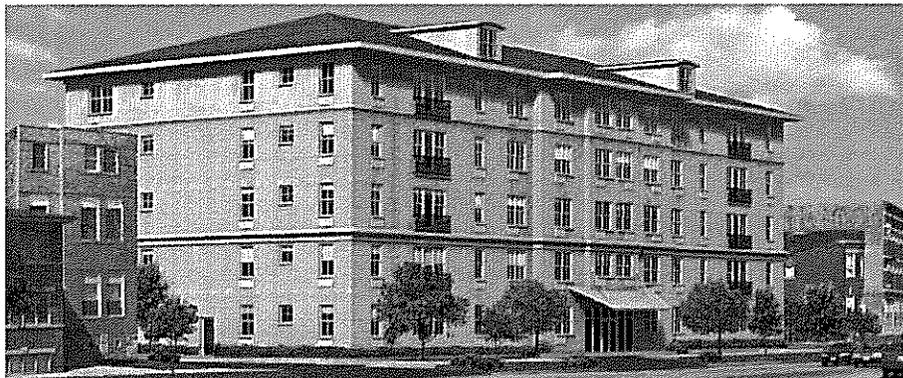

In July, the City Council approved an ordinance supporting the construction of Archer Avenue Senior Residences, a new \$10.2 million affordable rental complex for seniors to be located in Bridgeport.

Chicago Community Development Corp. plans to build the proposed five-story, 55-unit development at 2922–50 S. Archer Ave. in the 11th Ward. Archer Avenue Senior Residences will provide 46 one-bedroom and nine two-bedroom apartments at initial monthly rents from \$706 to \$848. The apartments will be available to seniors aged 62 or older whose incomes meet federal guidelines.

The 51,000-square-foot facility will include ground floor space for management offices, a multipurpose room, laundry facilities and on-site parking

The City will invest \$2.8 million in loans and provide \$668,000 in tax credits that will generate over \$6 million in equity for the project. Additional funding will come from a private mortgage loan.

Archer Avenue Senior Residences is the third senior development for which the City Council has approved funding this year. See the following page for a map showing DOH commitments to affordable senior housing since 1989.

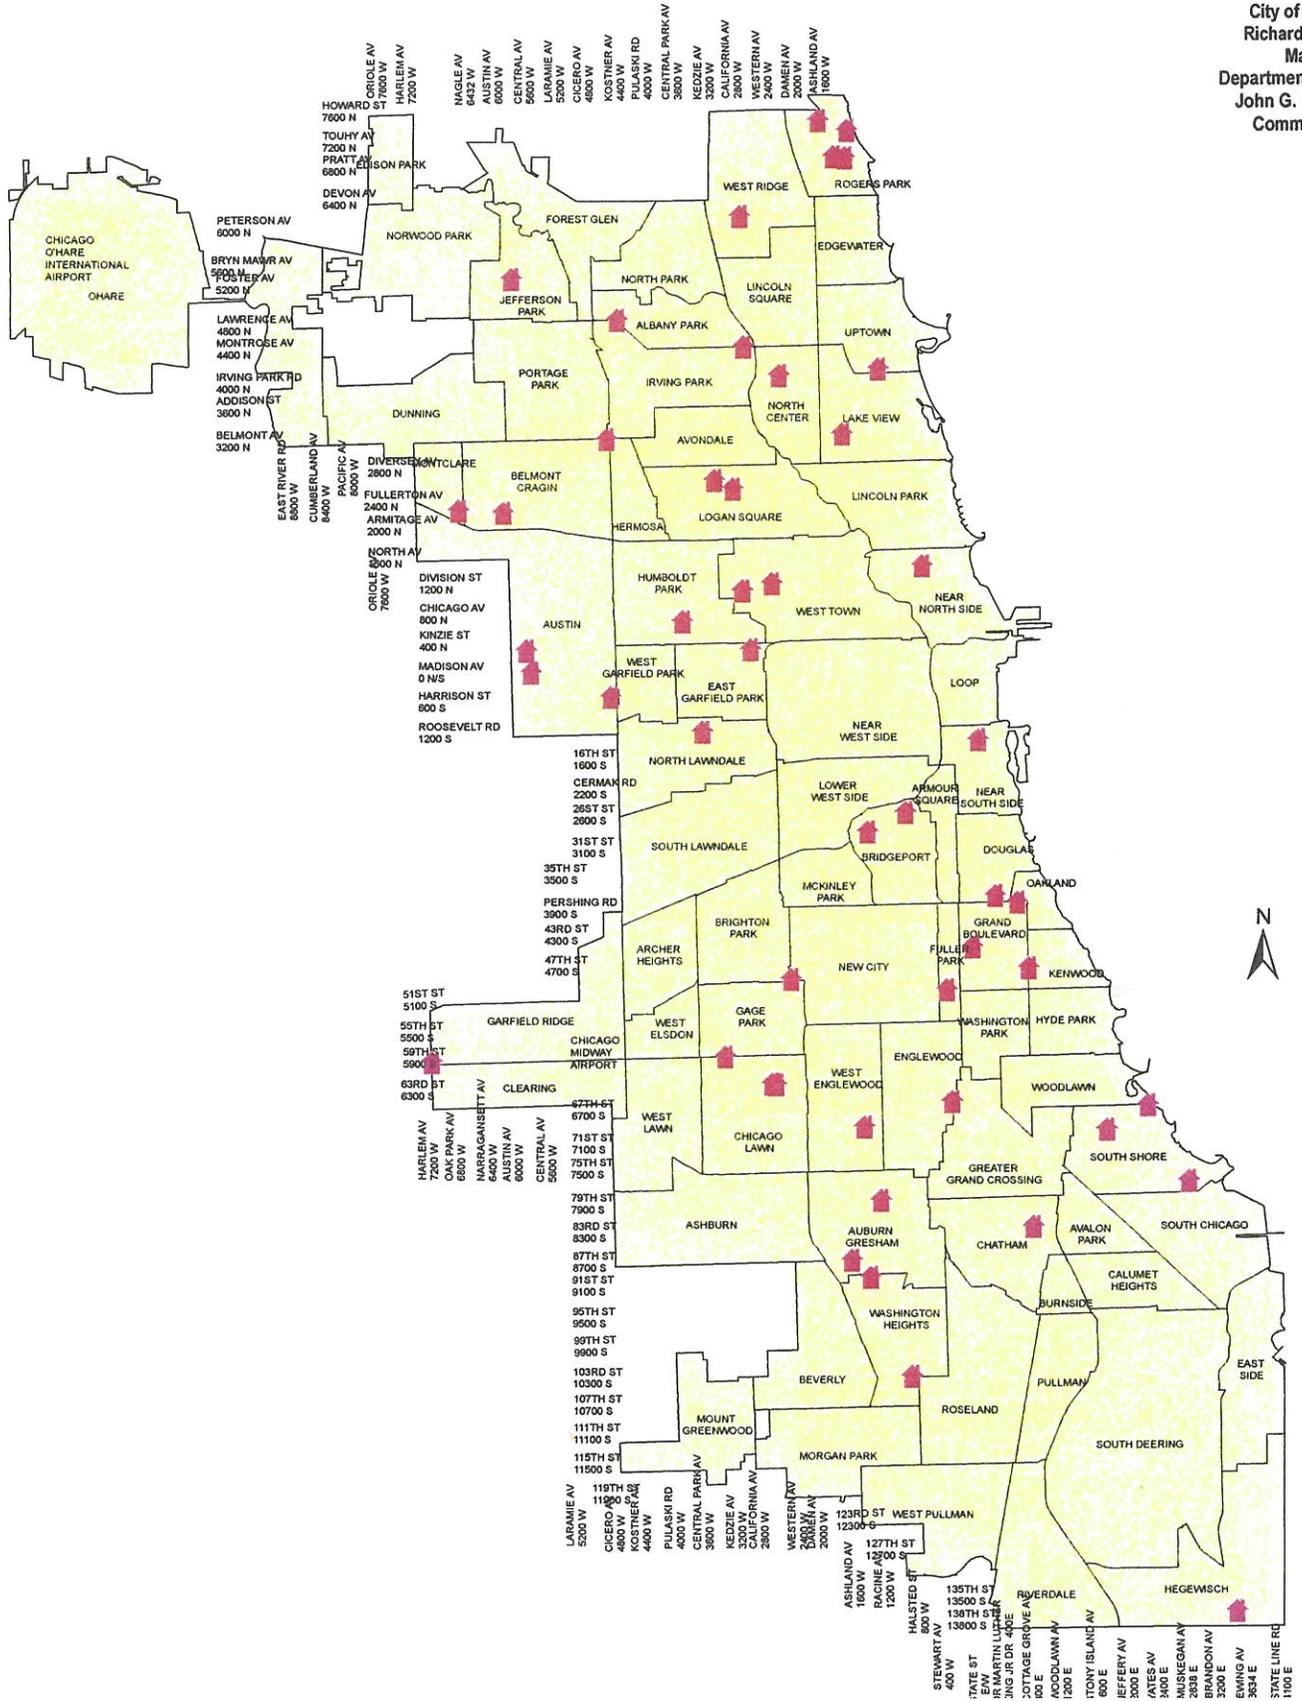

*Archer Avenue Senior Residences will bring 55 new affordable multi-family units to the Bridgeport community.*

## Rental Assistance

### Trust Fund Exploring Whole-Lease Model

The Department of Housing and the Chicago Low Income Housing Trust Fund (CLIHTF) are exploring a new model for providing supportive housing. Through the whole-lease model (also known as the master-lease model), a social service provider would lease an **entire residential building of modest size** (between 12 and 28 units). Subsequently, the social service organization would sub-lease the individual units to income-eligible households that need supportive services and provide the essential services to support the household, consistent with supportive housing programs currently funded by DOH and CLIHTF. The owner of the property would be responsible for some of the property management functions as defined by each whole-lease organization and the landlord.

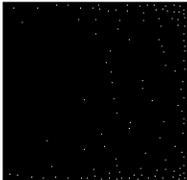

The whole-lease model has several strengths:

- Creates project-based supportive housing developments without expenditure of DOH capital resources, which are in high demand
- Allows social service organizations without housing development experience to provide project-based services
- Allows the organization to focus on a particular expertise while relying on seasoned property managers to provide their expertise in management
- Creates quick access to units in the same manner as scattered site rental subsidy programs, avoiding the delay associated with development
- Capitalizes on a soft rental market and makes it possible to secure better rental rates due to “bulk leasing”
- Achieves economies of scale in social service provision

DOH and CLIHTF are planning to test this model with Inspiration Corporation, a social service provider specializing in housing and employment training. Inspiration Corporation operates Inspiration Café in Uptown, The Living Room Café in Woodlawn, and Café Too, a culinary skills training program and restaurant.

Because this is a demonstration program, DOH is funding the Corporation for Supportive Housing to document Inspiration Corporation’s experience in a manual describing lessons learned and best practices.

## PROMOTION AND SUPPORT OF HOMEOWNERSHIP

In 2005, DOH expects to commit nearly \$130 million to more than 1,600 households to help them achieve or sustain homeownership. DOH supports the construction of new homes, the acquisition and rehab of deteriorated and abandoned properties, and financing programs for home purchase and rehabilitation.

Through the third quarter of 2005, the Department committed nearly \$92 million to support more than 1,600 units, achieving 102% of the annual homeownership unit goal and 71% of the annual homeownership resource allocation goal.

### Single Family Rehab and New Construction

#### **Affordable Condos Approved for North Lawndale and East Garfield Park**

In the third quarter, the City Council approved an ordinance to build 45 new affordable condominiums in the City's North Lawndale community through DOH's New Homes for Chicago program.

The ordinance authorizes \$450,000 in City assistance and the conveyance of ten City-owned parcels to Galilee Tower Joint Venture. City assistance will provide \$10,000 in subsidies for each condo unit. Additionally, homebuyers may also be eligible to receive up to \$30,000 in home purchase assistance.

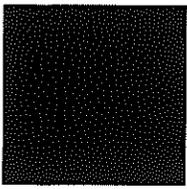

Galilee Tower Condominiums will provide 45 condo units in 15 three-unit buildings located on scattered sites in the 1100, 1200 and 1300 blocks of South Independence Boulevard in the 24th Ward. The condominiums will feature three bedrooms and two baths.

Lakefront Supportive Housing plans to serve individuals who have been homeless and have very low incomes. Additionally, adults with a variety of special needs including mental illness, substance abuse histories, and AIDS will be targeted as residents for the proposed project.

All units will be made affordable to households earning up to 120 percent of area median income. Base prices for the condos will start at \$159,000.

Also this quarter, the City Council approved an ordinance supporting the construction of 12 affordable condominiums in the 28th Ward through the City Lots for City Living program. The ordinance allows the disposition of three City-owned parcels and the waiver of related fees for the construction of Garfield Botanical Homes.

Francis T. Garvey, the project's developer, plans to build the Garfield Botanical Homes in two buildings at 3501-03 W. Carroll and 3537 W. Carroll in the East Garfield Park community. The condominiums will each feature three bedrooms and two baths and will average 1,400 square feet in size.

The homes will be made affordable to eligible buyers who have household earnings up to 120 percent of area median income.

## Homeownership Assistance

### DOH Holds Lottery for CPAN Buyers

On July 9, the Department of Housing held a lottery at Advocate Illinois Masonic Medical Center to help first-time homebuyers purchase affordable condominiums through the Chicago Partnership for Affordable Neighborhoods (CPAN) Program.

CPAN, a partnership between the development community and the City of Chicago, supports the creation and preservation of affordable housing by encouraging developers of market-rate housing to include affordable units in their developments. The program began in 2001.

Thirty individuals participated in the drawing. Nine condominium units ranging in size from studios to one-bedrooms in two developments in Lakeview were a part of the lottery. Rogers Park Community Development Corporation (RPCDC) coordinated the event on behalf of the City of Chicago.

"It is a privilege for the Rogers Park Community Development Corporation to work with DOH to promote CPAN in the 44th Ward," Director of RPCDC Cathy Vates said.

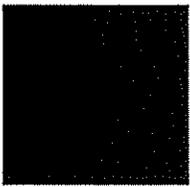

"Affordable condo opportunities are needed in Lakeview and it is refreshing to see city officials use CPAN to address this issue. We look forward to conducting additional lotteries in the 44th Ward in the near future."

Prices on the units ranged from \$160,000 to \$180,000. Factors including size, style and amenities affect the final sales price of each unit.

Additional home purchase price assistance may also provide a subsidy of up to \$40,000 for each condo, depending on total household income and only after the household has maximized their purchasing power through a first mortgage.

The lottery was open to first-time homebuyers who have incomes within 100 percent of area median income (\$75,400 for a family of four), have completed the required homeownership counseling sessions and have a pre-approval letter from a mortgage lender for a mortgage of \$125,000 or more.

Homeownership counseling sessions are offered in English and Spanish through DOH's delegate agencies, including RPCDC. Topics cover homeownership readiness, understanding your budget and credit, shopping for a mortgage and more.

Successful winners will become income certified and enter into a purchase agreement with the developer. Upon execution of the purchase agreement, a deposit will be required by the applicant and will be applied toward the purchase price of the home.

RPCDC will continue to offer homebuyer education and condo training to assist families for future lotteries.

Since the program's inception, developers have made a commitment to include over 400 affordable condominiums in more than 50 market rate developments in higher cost neighborhoods.

## IMPROVEMENT AND PRESERVATION OF HOMES

In 2005, the Department of Housing expects to commit over \$21 million to assist over 2,400 households to repair, modify or improve their homes. Through the third quarter, DOH has committed \$14 million in resources to support nearly 2,000 units.

### TIF Districts Fund Grants for Home Repair

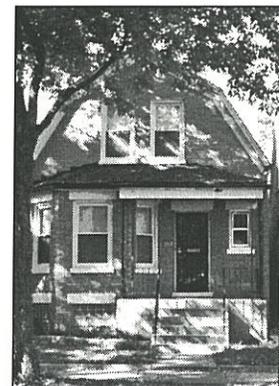

Through the third quarter of 2005, 229 single-family units have received a total of \$1.9 million in assistance through the Tax Increment Finance Neighborhood Improvement Program (TIF-NIP), which provides home repair grants to eligible households within the City's designated TIF districts. These numbers represent 83% of the unit goal and 75% of the resource commitment goal for this program.

TIF-NIP provides grants for both single-and multi-family residents. Both programs have guidelines that address issues such as household income eligibility and the types of home repairs. For the single-family program, eligible households may earn up to 100% of the area median income (AMI) for a full grant. For households earning between 101 and 120% of the AMI, the homeowner must match, dollar for dollar, the grant amount.

Grants are to be used primarily for exterior repairs such as: roofs, gutters, porches, tuck-pointing, window and door repair/replacement, chimney repairs and concrete work. Thirty percent of a grant may be used toward interior repairs, if they are related to health and safety issues. Grant amounts are based on the number of units per residence (1 to 4 units) and range from \$10,000 to \$17,500. The multi-family program provides building owners with matching grants of \$5,000 per unit, with a limit of \$50,000 for the entire building.

Since the program's inception in 1999, there have been TIF-NIP projects in seven different TIF districts: Bronzeville, Woodlawn, South Chicago, Lawrence/Kedzie (Albany Park), Midwest (Lawndale and Garfield Park), Chicago/Central Park (Humboldt Park) and the Englewood Neighborhood.

Since 1999, nearly 1,700 units have received grants totaling nearly \$10 million through TIF-NIP.

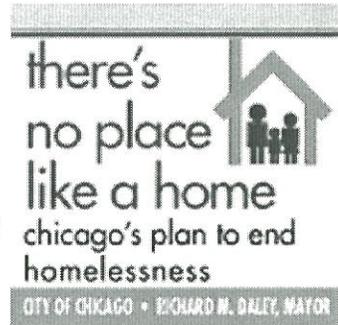

*These homes in the Chicago/Central Park and Midwest TIF Districts received grants through TIF-NIP for improvements such as new windows, tuckpointing, and roof repairs.*

## INTRA-CITY COLLABORATION

### Department Releases Plan to End Homelessness Update

A year has passed since the Department of Housing assumed responsibility for management and oversight of Chicago's Plan to End Homelessness, and recently the Department released the inaugural "State of the Plan" report, which summarizes the steps that have been taken during the first two years of the plan and outlines goals for 2005 in three core principle areas: Prevention of Homelessness, Housing First, and Wraparound Services.

Since January 2003, the City has made accomplishments in each of the three core areas. So far, the City has:

- Increased the number of people served with homeless prevention assistance by over 2,500 annually, thereby reducing the number of people who enter the homeless system each year;
- Added 1,046 permanent supportive housing units;
- Phased in 945 beds of interim housing, a short-term housing program that focuses on rapid re-housing into appropriate permanent housing and supportive services;
- Phased out approximately 1,400 beds of emergency and transitional shelter; and
- Trained 742 people from 91 agencies and programs to use the Homeless Management Information System (HMIS), new technology that will assist in the coordination of services and improve data collection of homeless persons.

To view the entire "State of the Plan" report, please visit DOH's website at [www.cityofchicago.org/housing](http://www.cityofchicago.org/housing).

### Ten Supportive Living Facilities Approved for Chicago

In August, the Illinois Department of Healthcare and Family Services announced that ten sites in Chicago have been chosen to receive funding through the Supportive Living Program, which provides an alternative to nursing home care for low-income older persons and persons with disabilities on Medicaid by combining apartment-style housing with personal care and other services.

At supportive living facilities (SLFs), residents can live independently and take part in making decisions about their care. The Supportive Living Program emphasizes personal choice, dignity, privacy and individuality.

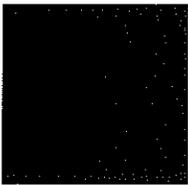

In December 2004, the Department of Housing and the Department on Aging organized an information session for developers to learn more about applying for funding through the Supportive Living Program. Applications were due in January 2005.

DOH is working with the developers of the ten chosen sites to determine their needs for land and supplementary funding. The ten chosen sites in Chicago are:

1. Dr. Oscar David Webster Senior Living Facility, 7604 South Yale
2. Eden Supportive Living South Shore, 7204 South Dorchester
3. Friedman Place, 5527 North Maplewood
4. Midway Supportive Living Facility, 4343 South Cicero
5. Monroe Supportive Living Facility, 4837 South Kedzie
6. The Regency, 2429 West Touhy Avenue
7. Renaissance St. Luke Supportive Living Facility, 1501 West Melrose
8. Senior Care Supportive Living Facility, 600 East 63rd Street
9. Victory Centre of Galewood Supportive Living Facility, SW Corner of New Castle/Grand
10. Victory Centre of South Chicago Supportive Living Facility, NW Corner of 92nd and Mackinaw

## ADVOCACY FOR POLICY CHANGE

### **MacArthur Foundation Awards Grant to Establish Community Land Trust**

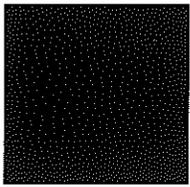

In September, the John T. and Catherine D. MacArthur Foundation awarded the Department of Housing a three-year \$396,000 grant to support the establishment of a citywide community land trust (CLT) to ensure the long-term affordability of homeownership opportunities for low- and moderate-income households in Chicago.

CLTs provide homeownership opportunities for people who are otherwise priced out of the housing market. Currently, DOH provides subsidies to create new for-sale units, sometimes in appreciating or high-priced markets. But when the first family who bought the unit moves out, it is unlikely that the next family moving in will be a moderate-income household. A citywide CLT would help preserve the affordability of these units.

The MacArthur Foundation grant will fund staff and operating expenses, including technical assistance and marketing and outreach efforts. By the end of the three-year grant period, DOH expects the CLT to be financially self-sufficient, funded by minimal fees charged to developers and homebuyers. Similar in organization to the Chicago Low Income Housing Trust Fund, the CLT will be established as a 501(c)(3) nonprofit organization with oversight and support from the Department of Housing.

Also in September, Alderman Ray Suarez, Chairman of the Housing and Real Estate Committee, organized aldermanic briefings, which were conducted by Commissioner Markowski and representatives from Burlington Associates, national CLT experts who are serving as advisors to DOH. The Department is preparing to present an ordinance to City Council before the end of the year to create the citywide CLT. Currently, DOH meets monthly with a CLT Advisory Group that is recommending guidelines for the CLT.

# of households who receive IHDA grant matching dollars	217	\$837,576
<b>Bungalow Purchase</b>		
# of bungalows purchased with a City Mortgage Loan or other purchase loan	101	\$5,957,982
# of bungalows purchased with a non-City Mortgage-participating bungalow lender loan	62	\$14,056,806
# of loans for bungalow purchase in process	0	\$0
<b>Actual # of households served, taking into account multiple benefits</b>	<b>2,719</b>	

\* In order to avoid double counting, this represents original requests as opposed to second or third calls.

\*\* New info provided as of first quarter 2005.

Note: Due to processing time, dollar amounts lag behind number of households receiving benefits.

TABLE FOR INCOME LIMITS  
(EFFECTIVE FEBRUARY 11, 2005)

Household Size	30% Area Median Income	50% Area Median Income (HUD Very Low Income Limit)	60% Area Median Income	65% Area Median Income	80% Area Median Income (HUD Low Income Limit)	95% Area Median Income	100% Area Median Income	120% Area Median Income
1 person	15,850	26,400	31,700	34,300	40,600	48,200	52,800	63,350
2 persons	18,100	30,150	36,200	39,200	46,400	55,100	60,300	72,350
3 persons	20,350	33,950	40,750	44,150	52,200	62,000	67,900	81,500
4 persons	22,600	37,700	45,250	49,000	58,000	68,900	75,400	90,500
5 persons	24,450	40,700	48,850	52,900	62,650	74,400	81,400	97,700
6 persons	26,250	43,750	52,500	56,900	67,300	79,900	87,500	105,000
7 persons	28,050	46,750	56,100	60,800	71,900	85,400	93,500	112,200
8 persons	29,850	49,750	59,700	64,700	76,550	90,900	99,500	119,400

Income limits are based on Chicago PMSA median income of \$69,700 for a family of four (4), as adjusted by HUD. Effective until superseded.

FEBRUARY 11, 2005

Income limits for 30%, 50% and 80% as published by HUD.

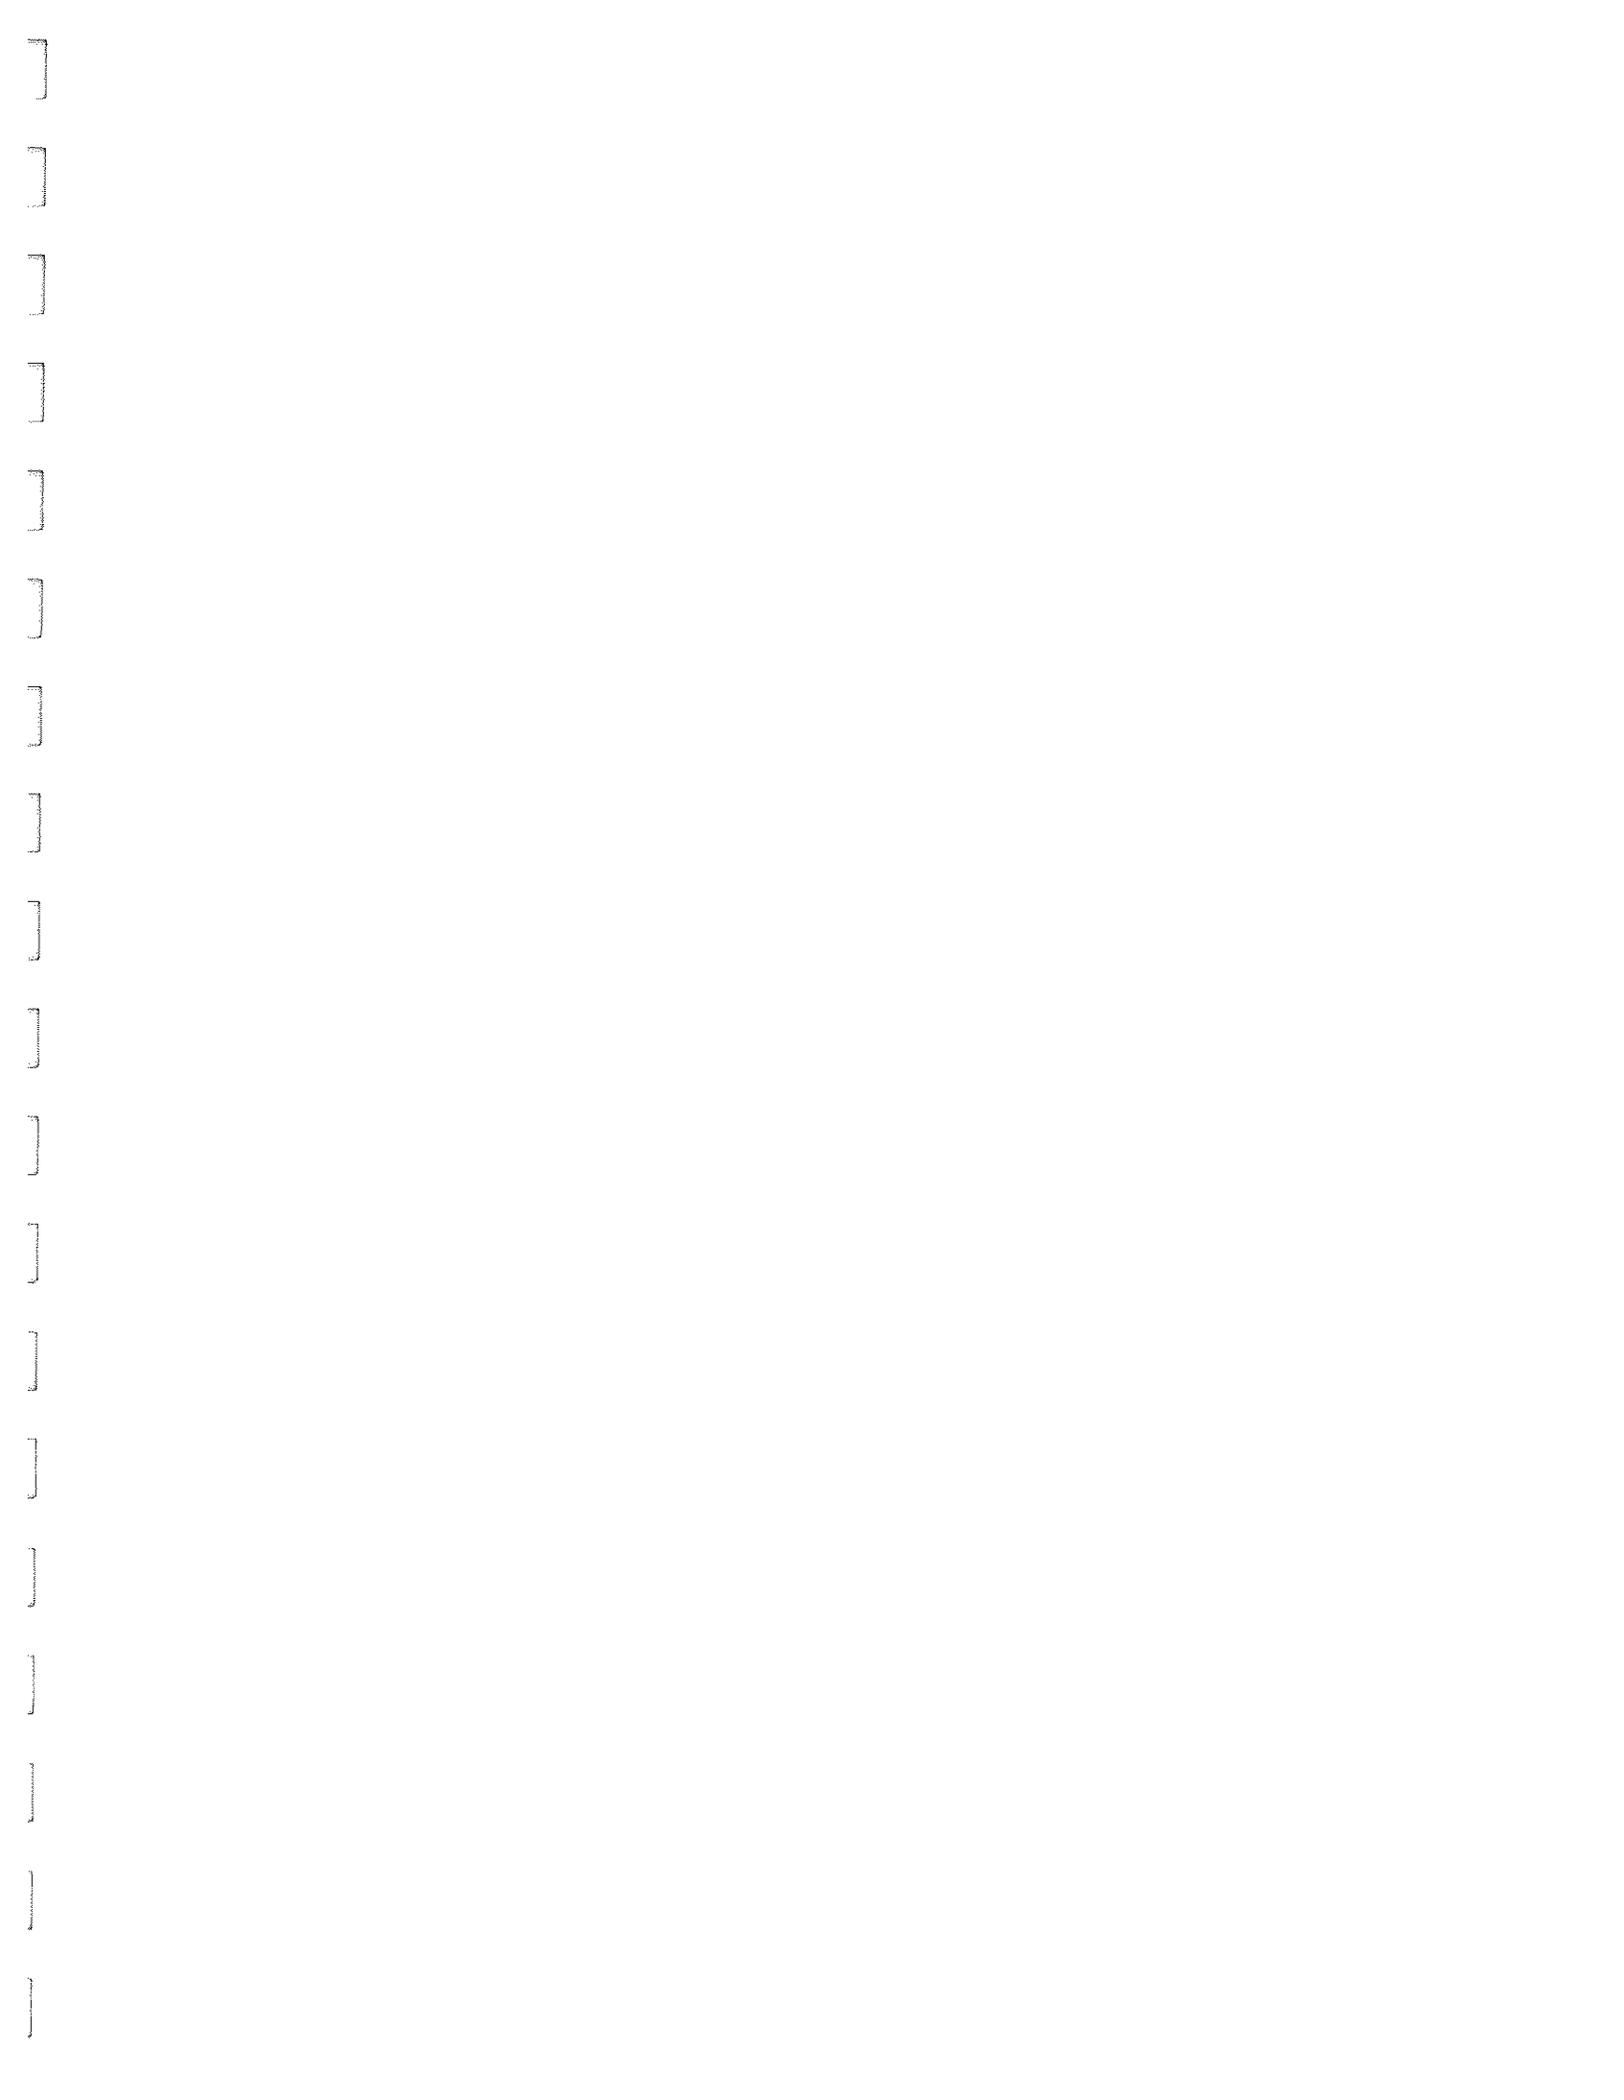

Income limits for 60%, 100% and 120% extrapolated per HUD methodology (PDR 2005-02) following HUD protocols of rounding all income limits to the nearest \$50.

\* Published by HUD

Note 1: For HOME-funded developments, rents are the "lesser of" the FMR for the unit size or 30% of the adjusted income of a family whose income equals 65% of the area median. This is known as the "High HOME Rent."

Note 2: In HOME-funded developments with 5 or more units, 20% of the HOME-assisted units must be occupied by very-low income families whose rents do not exceed 30% of the annual income of a family whose income equals 50% of the area median. This is known as the "Low HOME Rent."
