Special Briefing for New Aldermen
Chicago Rehab Network

Dear Colleagues;

Please join me **Monday, July 27th** at **2 p.m.** in **City Hall Room 300A** for a briefing with the **Chicago Rehab Network (CRN)**. They will brief you on the resources they provide aldermen and communities in support of affordable housing.

CRN has played an important role in community development since its inception in 1977. You may know them as a coalition of nonprofit community organizations and developers. In addition to providing training and technical assistance towards creating sustainable and affordable housing, CRN provides quarterly analysis of the City's housing production to the Committee on Housing and Real Estate. They also produce market data per ward and community area and will have this information for you at the briefing.

Please contact my committee staff by July 23rd at ward49@cityofchicago.org or by calling 773-338-5796 that you plan to attend.

Sincerely,

Joseph A. Moore
Chairman – Committee on Housing and Real Estate
