

2009-2013 Affordable Housing Plan

Keeping Chicago's neighborhoods affordable.

City of Chicago
Rahm Emanuel, Mayor

2012 Second Quarter Progress Report
April-June

LETTER FROM THE COMMISSIONER

We are pleased to submit the 2012 Second Quarter Progress Report, which presents the Department of Housing and Economic Development's progress on the goals set forth in the City's fourth Affordable Housing Plan, covering the years 2009-2013.

Through the second quarter of 2012 the Department has committed over \$136 million to support almost 4,500 units of affordable housing. This represents 37% of our annual resource allocation goal and 50% of our units assisted goal.

In the second quarter, the Department approved financing for two multifamily development projects and held a Housing Resource Fair for prospective homebuyers and current homeowners on the Northwest Side.

As always, we would like to thank our many partners for their continued support and cooperation. We could not succeed in our work without the perseverance of these neighborhood and business groups, elected officials, state and federal agencies and other community stakeholders. Through our joint efforts, we continue to progress in our goals to create and preserve affordable housing for the people of Chicago.

Andrew J. Mooney
Commissioner

INTRODUCTION

This document is the 2012 Second Quarter Progress Report on the Chicago Department of Housing and Economic Development's fourth Affordable Housing Plan, 2009-2013.

For 2012, HED has projected commitments of almost \$370 million to assist nearly 9,000 units of housing.

Through the second quarter of 2012, the Department committed \$136 million in funds to support nearly 4,500 units, which represents 50% of the 2012 unit goal and 37% of the 2012 resource allocation goal.

CREATION AND PRESERVATION OF AFFORDABLE RENTAL UNITS

In 2012, the Department expects to commit over \$288 million to support more than 6,000 units of affordable rental housing using loans for new construction or rehab along with rental subsidies.

Through the second quarter, HED committed nearly \$92 million in resources to support 3,600 units. These numbers represent 58% of the 2012 multifamily unit goal and 32% of the 2012 multifamily resource allocation goal.

Multifamily Rehab and New Construction

Lakefront Phase II

On June 29, 2012 the City closed on a \$51 million project to construct 132 units of multifamily rental housing on the 4000 to 4200 blocks of South Oakenwald and Lake Park Avenues in the 4th Ward. The project, to be known as Lakefront Phase II, will be developed by Davis Associates Managers LLC. The 21,000-square-foot site, which is currently vacant, will be developed with an 81-unit mid-rise building along with 51 units in three- and six-flats.

The project represents the second stage in the redevelopment of a former public housing site in the Oakland community and is part of the CHA's Plan for Transformation. The first phase, known as Lake Park Crescent, was recently completed and consists of a rental building on the south side of 41st Street and a cluster of townhouses and six-flats located north of 41st Street. The City previously provided a \$10 million HOME loan and \$4.4 million in TIF assistance for that project.

Phase II will include several green features, including onsite rain gardens and a 25% green roof on the mid-rise and 50% green roofs on the low-rise buildings. City assistance will include a \$5.25 million Multifamily Loan along with \$3.1 million in federal low-income housing tax credits and \$1.1 million in Illinois donation tax credits.

Churchview Manor Senior Apartments

The City Council on May 9, 2012 approved the \$7.4 million rehabilitation of a 20-year old Chicago Lawn senior building. The 60-unit Churchview Manor Senior Apartments, located at 2600 W. 63rd St. in the 15th Ward, serves independent seniors at or below 60% of area median income.

The rehab work will encompass window repair/replacement, kitchen improvements, electrical upgrades, a new sprinkler system and a new solar hot-water system. City assistance will include a \$3.3 million Multifamily Loan along with tax-exempt bonds, low-income housing tax credits and a \$150,000 energy efficiency grant. The developer is the Greater Southwest Development Corporation, which originally constructed the building in 1992 and also manages an adjoining 86-unit senior supportive living facility.

The \$7.4 million modernization of Churchview Manor will ensure the continuing viability of this 60-unit senior development in Chicago Lawn for years to come.

Woodlawn Center North Apartments

On June 27 the City Council approved a \$1.7 million Multifamily Loan to support the construction of Woodlawn Center North Apartments, a 33-unit, 3-story walk-up building at 6127 S. Cottage Grove Ave. in the 20th Ward. The \$13.4 million project, to be developed by Preservation of Affordable Housing Inc., will contain 29 project-based Section 8 units and four market-rate units.

The development is part of Woodlawn Park Apartments, a new mixed-income community being created on a site currently occupied by Grove Parc Apartments, a severely distressed, 504-unit Section 8 rental complex of 26 mid-rise apartment buildings. The existing units will be demolished and replaced with a mixed-use, mixed-income development featuring 420 newly constructed units and 75,000 square feet of retail space.

Woodlawn Center North amenities will include a community room, shared laundry facilities and on-site parking. Seven of the apartments will include special accommodations for residents with physical impairments.

Woodlawn Center North Apartments is part of a planned 420-unit, mixed-income community that will replace a distressed Section 8 development constructed in the 1960s.

Updates on Previously Reported Developments

Dedication of Edward M. Marx Apartments

On June 26 Assistant Commissioner William Povalla joined 39th Ward Alderman Margaret Laurino and other political and civic leaders at the grand opening of a new \$6.5 million supportive housing development on the North Park Village campus. Edward M. Marx Senior Apartments, located at 5801 N. Pulaski Rd., was funded in 2010 under the U.S. Department of Housing and Urban Development's Section 202 Program, which helps finance the construction of affordable housing projects that provide supportive services for seniors.

The property houses 31 one-bedroom apartments available to seniors under 50 percent of area median income. Tenants pay 30 percent of their income towards rent, with the balance covered by HUD.

The newly dedicated Edward M. Marx Apartments has created 31 units of supportive housing for seniors through the adaptive reuse of a historic building in North Park Village.

PROMOTION AND SUPPORT OF HOMEOWNERSHIP

In 2012, the Department expects to commit more than \$62 million to help almost 700 households achieve or sustain homeownership. HED initiatives support the construction of new homes, the acquisition and rehab of deteriorated and abandoned properties and financing programs for home purchase and rehabilitation.

Through the second quarter, the Department committed almost \$40 million to support nearly 200 units, achieving 64% of the annual homeownership resource allocation goal and 29% of the annual homeownership unit goal.

Ald. Suarez (31st) and HED Co-host Housing Resource Fair

Resources and workshops for homebuyers, renters and property owners were offered at a Foreclosure and Housing Resource Fair on Saturday, June 2, in the Belmont-Cragin community. The free event, cosponsored by Ald. Ray Suarez and HED, was held at Falconer School in the 31st Ward.

The fair featured twenty exhibitors specializing in foreclosure prevention, mortgage modification, property taxes, homeownership opportunities and related issues. Workshops were provided on home weatherization, energy efficiency, landlord/tenant rights and bedbug prevention.

Fifty current or prospective homeowners found assistance with their housing questions at a June 2 resource fair sponsored by Ald. Ray Suarez and HED.

IMPROVEMENT AND PRESERVATION OF HOMES

In 2012, the Department of Housing and Economic Development expects to commit nearly \$15 million to assist more than 2,000 households repair, modify or improve their homes.

Through the second quarter, HED committed over \$5 million in resources to support nearly 700 units, achieving 35% of the annual improvement and preservation resource allocation goal and 34% of the annual improvement and preservation unit goal.

EHAP Update

The Emergency Housing Assistance Program (EHAP) provides cash grants to enable very low-income owner/occupants of 1- to 4-unit residential buildings in Chicago to make essential repairs. The grants, which range up to \$12,500 per unit, can be used for the repair and/or replacement of heating systems, roofs or porches. Households earning 50% or less of the Area Median Income are eligible to participate in the program. To qualify for assistance, properties must be habitable, owner-occupied, not at risk of foreclosure and in compliance with all applicable City code requirements.

Grants are awarded in three categories:

- **Roof and Porch Repair/Replacement.** Applicants must call Chicago's City Service 311 number on the first business day in January of each year to be placed on a service intake list. Applications will be mailed only to homeowners whose names are on the intake list. Completed applications must be returned by the deadline specified in the application package. Grants are awarded based on the availability of funds.
- **Repair/Replacement of Heating Systems.** Applications are typically accepted beginning in October or November, contingent upon the onset of colder temperatures.
- **Repairs for Imminent Threats to Health and Safety.** Applications are accepted throughout the year for eligible home repairs in cases where conditions pose an imminent threat to the health and safety of residents. Grants are awarded based on the availability of funds.

EHAP currently enables some 700 low-income households annually to complete vitally needed home repairs. Since its inception in 1994, the program has served nearly 20,000 households with furnaces in the winter and roofs and porches in the spring, providing approximately \$100 million in assistance. During the first half of 2012, a total of 254 homeowners received grants totaling \$2,687,574. Over the last five program years, 3,170 units have been assisted.

POLICY, LEGISLATIVE AFFAIRS AND OTHER ISSUES

Neighborhood Stabilization Program Honored by Realtors

Two Neighborhood Stabilization Program (NSP) multi-family projects were recently recognized with 2012 Good Neighbor Awards from the Chicago Association of Realtors. The properties, located at 5520 S. Prairie and 5521 W. Gladys, were among 58 Chicago and suburban winners honored at a May 24 event. Good Neighbor Award winners are selected based on quality construction, service to a special population, green benefits, market value and architectural significance.

Through the end of the second quarter, a total of 777 units in 154 properties have been acquired using funds from Chicago's three NSP grants. Construction has started on 610 units in 118 properties; 255 units (54 properties) have been finished or are nearing completion. Forty-eight units (31 properties) have been sold to qualified homebuyers, and several multifamily properties are partially occupied and in the lease-up process. A list of all properties that have been assisted through NSP can be found in the Appendix. An updated version of this list is available at www.chicagosp.org.

The award-winning rehabs of the 18-unit building at 5520 S. Prairie and the 8-unit property at 5521 W. Gladys were completed in 2011 using NSP grant funds.

NOTE: Gross rent limits for 50% and 65% AMI, the High HOME Rent, and the Fair Market Rent are published by HUD. All other rent limits are calculated assuming 1.5 occupants per bedroom and 1 occupant for an apartment with no bedrooms.

* For HOME-funded developments, rents are the "lesser of" the Fair Market Rent for the unit size or the High HOME Rent for the unit size. In HOME-funded developments with 5 or more units, 20% of the HOME-assisted units must be occupied by very-low income families whose rents do not exceed 30% of the annual income of a family whose income equals 50% of the area median. This is known as the "Low HOME Rent."
